TESTS AUTOMATICOS / AUTOMATIC TESTS / TESTS AUTOMATIQUES / ZELFTEST / AUTOMATISKE TESTER / TEST AUTOMATICI

- Test funcional cada 7 días
- Functional tests every 7 days
- Tests de fonctionnement tous les 7 jours
- Functietest om de 7 dagen
- Armaturen funksjonstestes hver 7 de dag
- Test funzionale ogni 7 giorni

- Test de autonomía cada 365 días. En caso de fallo de red durante las 24 horas previas, la prueba se pospondrá una semana.
- Duration test every 365 days. In case of supply failure during the 24 previous hours, it will be postponed for a week.
- Test d'autonomie tous les 365 jours. En cas de coupure secteur durant les 24 heures préalables, celui-ci sera repoussé d'une semaine.
- Autonomietest elke 365 dagen. Bij een spanningsuitval 24 uur voor de test wordt deze een week uitgesteld.
- Batteritest hver 365 dag. I tilfelle strømbrudd ved test, vil feilen vises i 7 dager
- Test di autonomia ogni 365 giorni. In caso di interruzione dell'alimentazione durante le 24 ore precedenti, sarà posticipato di una settimana.

Precaución / Caution / Avertissement / Opgelet / Advarsel / Attenzione

- El instalador es responsable de instalar el producto de acuerdo con las normas locales y las recomendaciones de las circunstancias en las que se instalará el producto. Las baterías solo pueden ser reemplazadas por personal cualificado. El uso de luminarias en ambientes con temperatura fuera de los márgenes indicados, anulará la garantía. **La fuente de luz de esta luminaria no es reemplazable:** Cuando la fuente de luz alcance el fin de su vida útil, la luminaria deberá ser reemplazada. **IMPORTANTE: Con objeto de poder realizar un correcto mantenimiento es preciso conservar estas instrucciones.**

- The installer are responsible for installing the product in accordance with local standards, and recommendations of circumstances the product will be installed. The battery can only be replaced by qualified personnel. The use of the luminaires in environments with temperatures outside the indicated margins will void the warranty. **The light source of this luminaire is not replaceable:** when the light source reaches its end of life the whole luminaire shall be replaced. **IMPORTANT: Keep this instructions for future maintenance process.**

- L'installateur est responsable de l'installation du produit conformément aux réglementations locales et aux recommandations relatives aux circonstances dans lesquelles le produit sera installé. Les batteries doivent être remplacé par du personnel qualifié. L'utilisation de luminaires dans des environnements avec des températures en dehors des marges indiquées annulera la garantie. **Source lumineuse LED - non remplaçable:** Lorsque la source lumineuse atteint la fin de sa vie utile, le luminaire devra être remplacé. **ATTENTION: Afin de pouvoir réaliser un entretien correct, conserver ce mode d'emploi.**

- De installateur is verantwoordelijk voor het installeren van het product in overeenstemming met de lokale voorschriften en de aanbevelingen van de omstandigheden waarin het product zal worden geïnstalleerd. Batterijen kunnen alleen worden vervangen door gekwalificeerd personeel. Bij gebruik van armaturen in omgevingen met temperaturen buiten de aangegeven marges vervalt de garantie. **De lichtbron van deze armatuur is niet vervangbaar:** wanneer de lichtbron het einde van haar levensduur bereikt, moet de gehele armatuur worden vervangen. **BELANGRIJK: Bewaar deze instructies voor toekomstige onderhoudsprocessen.**

- Installatør må påse at lokale normer og forskrifter blir fulgt ifm installasjon. Påse også at armaturen monteres i områder den er egnet for og korrekt kabelinnføring avhengig av miljø. Batteri kan kun skiftes ut av kvalifisert personell. Bruken av armaturene i miljøer med temperaturer utenfor de angitte marginene vil ugyldiggjøre garantien. **Lyskilden til denne armaturen er ikke utskiftbar:** når lyskilden når slutten av levetiden skal hele armaturen skiftes ut. **VIKTIG: Ta vare på denne instruksjonen for fremtidig vedlikeholdsprosess.**

- L'installatore è responsabile dell'installazione del prodotto in conformità agli standard locali e alle raccomandazioni relative alle circostanze in cui verrà installato il prodotto. La batteria può essere sostituita solo da personale qualificato. L'utilizzo degli apparecchi in ambienti con temperature al di fuori dei margini indicati fa decadere la garanzia. **La sorgente luminosa di questo apparecchio non è sostituibile:** Quando la sorgente luminosa raggiunge la fine della sua vita utile, l'apparecchio deve essere sostituito. **IMPORTANTE: Conservare queste istruzioni per il futuro processo di manutenzione.**

- LED no reemplazable
- Non-replaceable LED
- Non-remplaçable LED
- LED niet vervangbaar
- Ikke utskiftbar LED
- LED non sostituibile
